

Ventilated Improved Pit (VIP) Latrines

Designed for the Highlands of Guatemala

A Project of New Castle Presbytery &
The Association of Mam Christian Women for Development

VIP Latrines:

- Reduce the spread of disease due to bacteria-carrying flies
- Do not smell
- Increase privacy and security for women and girls
- Will last seven years for a family of five
- Can be moved and used again
- Are manufactured and installed by Guatemalans using local materials

Full Cost: \$400

(Recipient pays \$40, Donor pays \$360)

A typical toilet in rural Guatemala
