Dear _____,

Happy Father's Day!

A gift to the **Guatemala Emergency Food Kit** initiative has been made in your honor by

_____.

In response to the COVID-19 crisis, these Emergency Food Kits will help support vulnerable families in Guatemala. And as a special bonus, your gift has been matched with egg-laying chickens. Each food kit will feed a family of five for one month. Three chickens will lay an additional 60 eggs each month – for more than a year!
